YOU ONLY HAVE ONE SKIN. LOVE IT.

Your most beautiful, healthy, feel-good skin doesn't happen by chance. It doesn't come from one or two random products. It comes with a good routine. And a little dedication.

The Oriflame Skin Care Routine empowers you to take charge of your skin and feel great about it. Every day. We have everything you need to get you started.

THE NOVAGE SKIN CARE ROUTINE

– YOUR DAILY FOUNDATION FOR YOUTHFUL, HEALTHY-LOOKING SKIN

STEP 1: CLEANSE - PREPARE TO ABSORB

Cleansing your skin morning and evening removes impurities for good skin health and creates perfect conditions to absorb the rest of the products in your routine.

STEP 2: EYES - FOCUS ON THE EYES

Eye creams have lighter textures, are fragrance free, and specially formulated to target the special needs of the eye area like lines, puffiness and dark circles.

STEP 3: BOOST - ACTIVATE THE POWER

Serums are the booster of your routine. The fluid texture of serum is designed to deliver its hydrating and youth-preserving actives quickly and efficiently, before you apply your day or night cream.

STEP 4: MOISTURISE - REPLENISH & PROTECT

Day and night creams provide the final layer of active ingredients together with moisturisation. The day cream is designed to help hydrate and protect your skin, while the night cream is designed to restore and replenish while you sleep.
